NOTICE OF PUBLIC MEETING ON COMBINED SEWER OVERFLOW LONG TERM CONTROL PLAN
Gary, Indiana – July 11, 2019, 5:30pm

The Gary Sanitary District will hold a Public Meeting at 5:30 pm on Thursday, July 11, 2019 at the Gary Sanitary District's Board Room, 3600 W. 3rd Ave., Gary, Indiana 46406.

Interested parties are encouraged to attend to learn more about and provide comments on the Gary Sanitary District's current efforts in developing its Combined Sewer Overflow Long Term Control Plan, in fulfillment of its Consent Decree requirements with the United States Department of Justice and Indiana Department of Environmental Management. This meeting will discuss Gary Sanitary District's current and proposed efforts to mitigate the effects of combined sewer overflow discharges to the Little Calumet River, Grand Calumet River, and Lake Michigan, as well as an overview of associated costs and affordability analysis.

The Gary Sanitary District would like to receive your comments and concerns regarding these efforts. Written comments can be provided to Daniel F. Vicari, Executive Director, Gary Sanitary District, 3600 W. 3rd Ave., Gary, IN 46406. Public comments will be accepted for up to seven days after the Public Meeting, through Thursday, July 18, 2019.

BY ORDER OF:

Daniel F. Vicari, P.E., BCEE
Executive Director
