

Gary Sanitary District Job Vacancy

Sewer Dept. Supervisor

Department: Sewer Department

Status: Full Time

Reports To: Sewer Manager

Salary: 64,826.00

Date Posted: Wednesday, January 3, 2024

Date Removed: Friday, January 12, 2024

JOB DESCRIPTION:

Incumbent serves as Collections Supervisor for the Sewer Collections Department, responsible for supervising and directing assigned personnel and monitoring and operating and maintaining sewer systems. Operates and maintains sewer systems and other systems related to wastewater collection, including evaluating systems and conducting preventive maintenance and repair. Assists crews in performance of duties, including maintaining lift stations and areas around wastewater outfall. Oversees and inspects job sites and completes pre-treatment activities for projects, including investigating work sites and locating sewer lines. Operates and maintains specialized equipment, such as televising system and Vactor truck. Schedules routine equipment maintenance relating to projects. Maintains logs, records, and reports relating to work. Ensures compliance with OSHA regulations, including safety training requirements. Communicates with Wastewater Manager and Engineer for daily status briefings. Performs related duties as assigned.

QUALIFICATIONS:

Ability to obtain and maintain Wastewater Collection Class IV certification. Possession of and ability to maintain a Class B Commercial Driver's License (CDL) with required endorsement and demonstrated safe driving record. Practical knowledge of sewer collections and wastewater with ability to operate and maintain sewer systems and other systems related to wastewater collection, including evaluating systems and performing preventative maintenance and repair. Ability to regularly work extended hours/evenings/weekends, respond to emergencies on a 24-hour basis, and serve on 24-hour call on rotation basis and occasionally travel out of town, sometimes overnight, for seminars.

Please submit all application and/or resume to Human Resources no later than Friday, January 12, 2024
