PROJECT DESCRIPTION: Landscaping Community/Ambridge-Mann Park in the City of Gary, IN.

Community/Ambridge-Mann at 301 Hayes St, Gary, IN 46404

There will be a Pre-Bid meeting held at Community/Ambridge-Mann Park Parking Lot at 10:00 AM (local time) on March 24, 2025.

Furnish all labor, materials, tools, equipment, superintendence, and all necessary incidentals for maintenance of vegetation inside the parks, inside/around the dugouts, and along/outside the fence lines.

Ambridge Community Park Area = 7 acres

Provide and install all specified items in accordance with the City of Gary Street, Sewer, and City Infrastructure Standards and Specifications Manual.

The Scope of work shall include the following:

Initial Cut:

- The initial cut shall be done April 21st.
- Contractor shall mow the grass inside of the Parks.

- Contractor shall mow along and outside the fence line to the curb/street for a total of 12 acres.
- Contractor shall cut grass to a height of 2 inches.
- Contractor shall clear vegetation including small trees, shrubs, and bushes from on hills, inside/around the dugouts, and around larger diameter trees.
- Areas not accessible by mowers shall be cut with weed trimmers or other suitable equipment.
- Remove vines and other vegetative growth, including branches, stumps, etc., on the fencing surrounding the Parks and take them offsite for proper disposal.

Subsequent Cuts:

- The Parks lawns shall be maintained weekly from April 21st until June 2nd (6 instances) and then biweekly from June 2nd until the final cut November 3rd (11 instances).
- The work shall not be done for more than 18 instances including the initial cut.
- Grass shall be maintained at a height of 2 inches.
- The contractor shall not be paid for instances when the Parks lawns is not maintained. Payment shall be made for work done only.

General:

- Support/protect utility poles, building structures, driveways, and underground utilities as necessary.
- Contractor shall be responsible to locate all utilities in the project area.
- Contractor shall ensure proper use of equipment to mow the grass and remove other vegetation inside and outside the Parks.
- All work must be done by experienced, trained, and properly certified technicians that are knowledgeable of landscaping.
- Secure necessary permits, licenses, and notifications for mowing work.
- Vegetation size and density shall be field verified before any vegetation removal work is done.
- Perform video of the work area to show the condition of all existing surface structures and landscape prior to site mobilization and following demobilization. Provide the copies to the Owner (GSWMD).
- Restore any disturbed driveway, sidewalk, fencing, and landscaped/unpaved areas to equal or better than existing condition.

- **Erosion Control:**

The Contractor must take appropriate action to reduce potential environmental damage and work delays related to erosion control. Before start of on-site construction activities, submit to the Engineer for review and approval a plan for sediment and erosion control measures and management, including planned maintenance during execution of the work.

- **Maintenance of Traffic:**

The Contractor must take appropriate action to maintain the safe flow of traffic around the project work site. Before the start of onsite activities, submit to the Engineer for review and approval a plan for maintaining the flow of traffic through the work zone. The Contractor shall work with Gary Public Transportation to ensure that no route will be affected by the Work.

- **Safety and Protection:**

Contractor shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work. The Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to all persons on the site or who may be affected by the work.

- **The minimum equipment required shall be as follows:**

- Pull Behind Mower Deck
- Tiger Mower
- Riding Mower
- Weed Trimmer

CONTRACTOR TIME:

If the Contractor is unable to take over the project site immediately or is unable to maintain the schedule given below, the contract will be rescinded and awarded to the next lowest bidder.

- The Contractor agrees that the landscaping shall commence **immediately of issuance** of Notice Proceed and be completed **as specified** until the contract end date.

NOTE: **The condition and location of the site as shown is for reference only.**

- **The existence of vegetation, obstacles, etc., which are not shown and which may be encountered will not be a basis for a claim for extra work.**
- **Contractor shall field verify the site layout and conditions before bidding the project.**

CONTRACTOR COMPLIANCE REQUIREMENTS

TO: ALL GSD/GSWMD CONTRACTORS

FROM: GSD/GSWMD Office of Compliance

RE: Project Compliance Requirements

The Gary Sanitary District (GSD) and Gary Storm Water Management District (GSWMD) are committed to ensuring Gary businesses and residents are included in contracting and employment opportunities on ALL projects funded solely or in part by the GSD and GSWMD.

In accordance with our commitment, our procurement process includes or references the governing resolutions and ordinances related to our diversity and equity goals regarding utilization of local businesses and residents. By submitting your respective bid with all requested affidavits and forms as a potential contractor to GSD or GSWMD, you acknowledge receipt and understanding of said resolutions and/or ordinances.

Letters from Union Halls indicating a lack of available workers shall NOT be acceptable as an exception for non-compliance. We encourage you to be proactive in advance of bidding on, responding to or initiating work on our projects.

Please note that the following are required on ALL GSD/GSWMD projects:

1. Completed Certified Payrolls and Statements of Compliance submitted weekly.
2. Apprentice certificates, if applicable, must accompany certified payrolls that list apprentices working.
3. Project schedule must be submitted prior to start of work.
4. Job site visits conducted by GSD/GSWMD representative.

5. Subcontractor list must be submitted prior to start of work.
6. Wage Rate Sheets per trade must be submitted prior to start of work or with first certified payroll.
7. Valid Contractor's License and Business License must be submitted prior to start of work.
8. Current diversity certification letters i.e. GBE, MBE, WBE, DBE, VBE.
9. Any other requested document.

Failure to submit the required documents, comply with requirements outlined in GSD resolutions and City of Gary ordinances as referenced in the specifications for a bid, quote, or proposal may result in the withholding of payment, short payment of invoices, denial of reduction in retainage, withholding of retainage, work suspension and/or contractor removal from project or project site.

Failure to sign and return this memo will deem you non-responsive and non-responsible. By not signing and returning the acknowledgement of this memo and its contents, you forfeit all rights as a potential vendor to this project.

CONTRACTOR ACKNOWLEDGEMENT AND ACCEPTANCE

The Contractor has examined and carefully studied the specifications and/or drawings and acknowledged the following:

- Contractor has visited the site and is familiar and satisfied with the general local and site conditions that may affect cost, progress, performance, and furnishing of the work.
- Contractor is familiar with all federal, state, and local laws and regulations that may affect cost, progress, performance, and furnishing of the work.
- Contractor is familiar and shall fully comply with all federal, state, and local laws and regulations, specifically including the City of Gary Ordinance No. 6972, codified at Section 2-1882 through 2-1887 of the Municipal Code of the City of Gary, and its companion resolution, Gary Sanitary District Board of Commissioners Resolution No. 2113, which may affect cost, progress, performance, and furnishing of the work.
- The Contractor assumes full responsibility of the site work upon notification of award until issuance of final completion.
- If the owner must service the storm water lift station due to the negligence of the Contractor, the Contractor will be required to pay all costs incurred.

- The Contractor is aware of the general nature of the work to be performed by OWNER and others at the site that is related to work for which this Quote is submitted as indicated in the Specifications and/or Drawings.
- Work shall not hinder the flow of storm water.

Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no eligible residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the contractor, subcontractor, or employee to prosecution.

Any retainage to cover contract performance that may become due to the contractor may be withheld by the city pending a determination of whether the contractor must surrender damages.

I AGREE, acknowledge receipt, and shall adhere to all compliance requirements, ordinances, and regulations required by GSD/GSWMD.

I DO NOT AGREE, and understand that by not agreeing, I forfeit any rights to further consideration as a vendor for this project.
